NPDL Network Updates - Fiji Express & Nouvapac Service

Dear Valued Customer,

We would like to inform you of the following changes to our vessels deployed on the Fiji Express and Nouvapac service:

Fiji Express Service

The “Capitaine Baret” Voy 28 will be her last voyage on this service calling both Tauranga and then Auckland southbound. She will then leave the NPDL service network. The “NPDL Tahiti” will replace the “Capitaine Baret” in Fiji Express after her current Nouvapac voyage. She will slot into the Fiji Express service starting in Auckland on Voy 4 with a week’s delay to realign the Fiji Express proforma schedule.

Nouvapac Service

The “Capitaine Wallis” will continue her deployment on the Nouvapac service with Voy 408 departing Auckland on 1 Mar 2024.

These changes will be reflected in our published schedules this week.

Thank you for your continued support, should you have any further questions or queries please contact your NPDL representative.

Sincerely,

NPDL
