

Additional sailings to Kiribati in August

07th August 2017

Dear Valued Customers,

To cater for the requirements of the Kiribati market, both Tarawa & Kiritimati (Christmas Island), we are pleased to confirm that both the Kota Harum V301 and Max Centaur V304 will be calling Tarawa in August.

Southern Pearl V145, will also be redelivered from dry dock in China to Tarawa at the end of the month and will pick up empty containers and exports from Tarawa before heading to her base in Fiji to resume normal rotation to Wallis, Futuna, Funafuti & Tarawa.

BBC Nordland V102 will continue her voyage on from Tarawa, also allowing for Kiritimati cargo on the Max Centaur V304 to connect & make the scheduled call into Kiritimati in early September
