

Bunker Adjustment Factor (BAF) review
Australia to Majuro Trade

30th January 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Australia to Majuro service.

The changes reflect movements in the price of ships' bunker fuels. Fuel prices have increased by approximately 13.5% since our last review and the prices continue to rise.

Our current Baf is USD 615 per 20' on this trade and the increases in fuel prices support a USD 35 increase in Baf, to a revised Baf level of USD 650 per 20'.

The new BAF will come into effect from the 01/03/18 and therefore be applicable from the Melanesian Pride V001 loading Melbourne on the 08/03.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
