

Bunker Adjustment Factor (BAF) review
Australia to Santo Trade

16th May 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Australia to Santo service.

The changes reflect movements in the price of ships' bunker fuels. Fuel prices have increased by approximately 13.5% since our last review and the prices continue to rise.

Our current Baf is AUD 740 per 20' on this trade and the increases in fuel prices support a AUD 35 increase in Baf, to a revised Baf level of AUD 775 per 20'.

The new BAF will come into effect from the 01/07/18 and therefore be applicable from the Forum Pacific 4 V005 loading Melbourne on the 10/07.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
