

Bunker Adjustment Factor (BAF) review
Fiji to Majuro Trade

30th January 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Fiji to Majuro service.

The changes reflect movements in the price of ships' bunker fuels. Fuel prices have increased by approximately 13.5% since our last review and the prices continue to rise.

Our current Baf is US\$ 555 per teu US\$ 32.50 per RT on this trade and the increases in fuel prices support an US\$ 38 per teu & US\$ 2.25 per RT increase in Baf to a revised Baf level of US\$ 593 per teu and US\$ 34.75 per RT.

The new BAF will come into effect from the 01/03/18 and therefore be applicable from the Kota Hening V1645 loading Suva on the 09/03.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
