

Bunker Adjustment Factor (BAF) review
Fiji to Tarawa Trade

01st November 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Fiji to Tarawa service.

The changes reflect movements in the price of ships' bunker fuels over the previous quarter and the prices have continued to rise.

Our current Baf is AU\$ 560 per teu & AU\$ 28.65 per RT on this trade and the increases in fuel prices support an AU\$ 35 per teu & AU\$ 2.12 per RT increase in Baf to a revised Baf level of AU\$ 595 per teu and AU\$ 30.77 per RT.

The new BAF will come into effect from the 01/12/18 and therefore be applicable from the Kota Hening V1652 calling Suva 13/12 or Southern Pearl V171 loading Lautoka on the 25/12.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
