

**Bunker Adjustment Factor ( BAF ) review**  
**Fiji to Tarawa Trade**

16<sup>th</sup> May 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Fiji to Tarawa service.

The changes reflect movements in the price of ships' bunker fuels over the previous quarter and the prices have continued to rise.

Our current Baf is AU\$ 535 per teu & AU\$ 27.15 per RT on this trade and the increases in fuel prices support an AU\$ 25 per teu & AU\$ 1.50 per RT increase in Baf to a revised Baf level of AU\$ 560 per teu and AU\$ 28.65 per RT.

The new BAF will come into effect from the 01/07/18 and therefore be applicable from the Southern Pearl V163 loading Lautoka on the 06/07 & Kota Hening V1648 loading Suva on the 11-12/07.

Thank you for your continued support.

Yours sincerely,
