

**Bunker Adjustment Factor ( BAF ) review**  
**Fiji to Tarawa Trade**

30<sup>th</sup> January 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Fiji to Tarawa service.

The changes reflect movements in the price of ships' bunker fuels. Fuel prices have increased by approximately 13.5% since our last review and the prices continue to rise.

Our current Baf is AU\$ 490 per teu & AU\$ 24.50 per RT on this trade and the increases in fuel prices support an AU\$ 45 per teu & AU\$ 2.65 per RT increase in Baf to a revised Baf level of AU\$ 535 per teu and AU\$ 27.15 per RT.

The new BAF will come into effect from the 01/03/18 and therefore be applicable from the Southern Pearl V157 loading Lautoka on the 20/03.

Thank you for your continued support.

Yours sincerely,
