

Bunker Adjustment Factor (BAF) review
NZ to Papeete

26th January 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the New Zealand to Papeete service.

The changes reflect movements in the price of ships' bunker fuels. Fuel prices have increased by approximately 13.5% since our last review and the prices continue to rise.

Our current Baf is +24.5% on this trade and the increases in fuel prices support a 5.73 point increase in Baf to a revised Baf level of +30.23%

The new BAF will come into effect from the 01/03/18 and therefore be applicable from the Southern Trader V1418 loading Auckland on the 13-14/03.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
