

Bunker Adjustment Factor (BAF) review
Asia, China, Europe, Africa, Middle East to the Pacific Islands

01st November 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on our Asia, China, Europe, Africa, Middle East to the Pacific Islands

The changes reflect movements in the price of ships' bunker fuel, whereby fuel prices have increased significantly since our last review and the prices continue to rise.

Our current Baf is US\$ 625 per teu and the revised Baf level applicable from cargo loading in these regions from the 01/12/18 will be US\$ 675 per teu.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
