

Bunker Adjustment Factor (BAF) review
Asia, China, Europe, Africa, to the Pacific Islands

8th January 2019

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on our Asia, China, Europe, Africa, to the Pacific Islands trades.

The changes reflect movements in the price of ships' bunker fuel, whereby fuel prices have reduced since our last review with prices continuing to drop slightly.

Our current BAF is US\$675 per teu and the revised BAF level applicable from cargo loading in these regions from the 15/02/2019 will be US\$600 per teu.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
