

## Capitaine Wallis V163 rotation & Papa Mau V017 inducement

07<sup>th</sup> June 2018

Dear Valued Customers,

The current Southern Pearl V162 has lost 48 hours in port during the Suva call of this current voyage due to stoppages requested by Fijian Bio Security as a result of insects that were alleged to have been brought in on board the vessel. In order to make up some lost time on schedule, we will be chartering the Papa Mau V017 to rotate from Fiji to Wallis & Futuna and Tarawa. She will also take all Tarawa cargo that was due to be loaded on the Kota Hakim V412 next week.

As per our notice yesterday, Southern Pearl will be renamed Capitaine Wallis and proceed directly from Fiji to Funafuti and onto Kiritimati and then return to Fiji to resume her normal rotation.

The forward schedule will be as follows.
