

Central Pacific Service

25th March 2020

Dear Valued Customers,

With immediate effect, the Southern Pearl will be deployed on a pendulum service linking Fiji with Wallis & Futuna, Funafuti on a shortened rotation and then servicing Port Vila & Santo from Fiji as the alternate leg of the loop.

All Tarawa cargo currently booked on the Southern Pearl V189 will be transferred to the Kota Hakim 428 which offers a direct 5 day transit from Suva and we will continue to offer this direct service between Fiji and Tarawa & Majuro in addition to the Southern Pearl service.
