

Currency Adjustment Factor (CAF) on NZD freight rates

22nd April 2020

Dear Valued Customers,

Recent depreciation of the NZD against the USD necessitates the introduction of a CAF to be applied to all freight rates currently in NZD.

A CAF of +10% on NZD freight rates will be applicable from all cargo shipped from the port of load on or after 01st May 2020.

Thank you for your continued support.

Yours sincerely,

Pacific Direct Line
