High Cube Surcharge ex Australian E/C ports to Pacific Islands

Dear Valued Customers,

Increased requirement for High Cube containers has a direct impact on availability of space on our various Australia - Pacific Island trades.

Special Equipment such as High Cube containers are in shorter supply than standard equipment, and more expensive to integrate and operate within our container fleet.

PDL will be reinstating the High Cube Surcharge applicable for all cargo loading ex Australian East Coast ports to the following Pacific Island destinations
