

Improved services to Central Pacific & Micronesia

10th May 2017

Dear Valued Customers,

Firstly, we would like to thank you for your tremendous support over the last few days whilst we work through the aftermath of the foundering of the Southern Phoenix in Suva harbour. We have been very humbled by your messages and positive forward thinking as we work through a difficult situation together.

As such, we are very pleased to be able to announce some good news and advise you of immediate improvements to our services to Tarawa, Majuro & Micronesia.

In conjunction with our partners Mariana Express Lines (MELL) & Pacific International Lines (PIL), the SPS service will now offer Majuro & Kosrae ports on a fortnightly basis, after having called Lautoka & Suva. Furthermore, the Max Centaur V301 will also call Tarawa to assist the Southern Pearl V142 with the additional cargo volumes to Tarawa that we expect to be required to move as a result of the Southern Phoenix incident.

The forward schedule will be as below. We are currently finalising the fixture of a vessel to replace the Southern Phoenix on the Kiritimati service and will be announcing the first voyage very shortly.
