

July service to Funafuti & Tarawa

26th June 2018

Dear Valued Customers,

Due to cargo weight restrictions on the Kota Hapas V311 & Kota Hening V1648, both vessels will omit Tarawa on their schedules and call Majuro directly, after their Lautoka & Suva port calls.

Tarawa cargo booked to move in July will be carried on the Papa Mau V018, & the Capitaine Wallis V164. Papa Mau will also call Funafuti, to provide an extra option for customers in Tuvalu in light of the recent issues with the port equipment which has caused the Captaine Wallis V163 call into Funafuti to be delayed.

The forward schedule for the Central Pacific service will be as below :
