

Low Sulphur Recovery - Asia/Americas/Africa/Europe - Pacific

29th November 2019

Dear Valued Customers,

Further to our notice on the 01st November regarding the requirement to bunker our ships with fuel of no more than 0.5% sulphur content fuels from November, from the 01st of January the following Low Sulphur Recovery (LSR) will be implemented on our transshipment trades from Asia / Americas / Africa / and the Pacific Islands.

USD 200 per dry teu
USD 300 per reefer teu

The LSR will be adjusted in accordance to a USD25/ton tier basis price gap between the monthly average of HSFO and VLSFO price & customers will be given 30-days notification for any subsequent adjustment.

This surcharge is to be applied on top of current ongoing rates and for all equipment types.

Thank you for your continued support.

Yours sincerely,
