

Low Sulphur Recovery (LSR) – Q4 update

31st August 2020

Dear Valued Customers,

Calculating the LSR based on the review period of 22/05/20 to 25/08/20, we would like to advise that on the New Zealand and Australia to / from the Pacific Island trades* and on our inter-island trades, the LSR level will remain set at zero for the period 01/09/20 to 31/12/20.

*LSR for Asia/Europe/Africa/Americas to & from the Pacific Islands and the Norfolk Island / Cook Island trade is communicated separately.

Thank you for your continued support.

Yours sincerely,

Pacific Direct Line
