

Low Sulphur Recovery - Asia/Americas/Africa/Europe - Pacific

1st November 2019

Dear Valued Customers,

Further to our notice dated 21st October, the regulatory requirements for less than 0.5% sulphur content starts 1st January 2020. In order to meet this obligation, we will commence usage of Low Sulphur fuel on our vessels from November 2019. As such from the 01st of December the following Low Sulphur Recovery (LSR) will be implemented on our transshipment trades from Asia / Americas / Africa / Europe and the Pacific Islands.

USD 175 per dry teu
USD 262.50 per reefer teu

The LSR will be adjusted in accordance to a USD25/ton tier basis price gap between the monthly average of HSFO and VLSFO price & customers will be given 30-days notification for any subsequent adjustment.

This surcharge is to be applied on top of current ongoing rates and for all equipment types.

Thank you for your continued support.

Yours sincerely,

Pacific Direct Line
