

New direct Australia to Norfolk Island service

16th August 2017

Dear Valued Customers,

In line with the current wharf extension works in Cascade Pier, which are due to complete in November this year & the vision for containerisation in this trade by 2019, we are pleased to announce that Pacific Direct Line & Neptune Pacific Line will be re-instating the direct Australia to Norfolk Island service from September.

Replacing the chartered vessel - Southern Tiare - with our own tonnage, we will no longer be subject to the recent external influences affecting vessel scheduling. This improved service will allow us to adapt to the changing nature of the Norfolk Island market & re-affirm our long term commitment to this important service from New Zealand & Australia.

M/V Capitaine Quiros will operate between Brisbane and Norfolk Island every 45 days, with Melbourne & Sydney cargo being centralised to Brisbane. New Zealand cargo will be consolidated in Auckland and shipped to Brisbane on our other service string across the Tasman Sea.

The forward schedule will be as follows. Our Customer Service Team will be in touch with you shortly with the cargo receiving details for the first voyage in September.

Vessel	Voy	Auckland	Brisbane	Vessel	Voy	Brisbane	Norfolk
ANL Warnambool	133	17-Sep	22-Sep	Capitaine Quiros	066N	26-Sep	30-Sep

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
