Notice of Vessel change

Norfolk Island Service

We wish to advise all Shippers and consignees that M/V Norfolk Guardian will be withdrawn from service following completion of V 156 and backload to New Zealand

The September sailing to Norfolk Island will be Southern Tiare V 001 which will be the designated Norfolk Island vessel until a suitable replacement vessel is found

We have used Southern Tiare in the past on this trade and the vessel owners have recently upgraded her following a dry docking in Asia.

The forward schedule is
