

## **Norfolk Island Trade – Freight and Stevedoring rate increase**

02<sup>nd</sup> July 2018

Dear Valued Customers,

The Norfolk Island Regional Council have recently announced an increase in the Lighterage Penalty charges which is based around an increase in staff wages, from 01<sup>st</sup> July.

As we are unable to absorb such increases, the Stevedore / Lighterage surcharge will be lifted to AUD \$17.00/revenue tonne from the Norfolk Guardian V156.

In order to maintain a suitable service frequency to Norfolk & make some recovery for increased operational expenses, freight rates to Norfolk Island will also be increased by 5% from Norfolk Guardian V156.

For further information please do not hesitate to contact your local representative office.

Thank you for your continued support.

Yours sincerely,
