

November – Charity Month at Pacific Direct Line

Auckland 31st October 2016

Dear Valued Clients,

In this coming month of November, PDL will be offering you the opportunity to help us support two causes close to our hearts.

For every cargo booking placed with PDL on one of our services from New Zealand to the Pacific Islands, we will be matching any donation you should wish to give of NZ\$ 10, NZ\$ 20 or NZ\$ 30, made to either of the below projects of your choice. Details will be provided at the time of booking.

Cancer Society Auckland, Walking Stars – The PDL team 'Flying Scotsman', in support of our very own bonnie wee Scot Ewen Grant, who is currently having a tussle with this illness, are raising money for the Cancer Society's 'Walking Stars' 2016 event to be held on the 26th November. It is Auckland's night time half marathon. <https://walkingstars2016.everydayhero.com/nz/flying-scotsman>

Cure Kids, Fiji Oxygen Project – In partnership with PDL, the Fiji Ministry of Health and leading paediatric and technical experts, Cure Kids are providing new ways of improving the availability, affordability and clinical use of oxygen to save young lives in Fiji. Please find attached some documentation outlining the scope of this project.

In addition to this, PDL will be hosting an auction on the 30th of November to raise money for these 2 projects. Amongst other attractions, the main event at this auction will be for the highest bidder to become a hairdresser for the occasion and shave the locks from our CEO Olivier Ravel's head. Details of this event will be communicated to you in due course.

Thank you for your support and we hope that you will help us in our efforts to raise money for this two important causes this November.

Your sincerely
Pacific Direct Line Limited
