

Replacement service - Southern Tiare V146 to Norfolk Island

27th July 2017

Dear Valued Customers,

The Southern Tiare V146 was due to start loading cargo for Norfolk Island on Friday the 28th July. We were advised by the vessel owners yesterday, following a routine survey, that some major work would need to be carried out on the ships engine before she would be ready to continue with cargo operations.

With an unknown delay period and the cargo for Norfolk Island already at the wharf in Auckland & requiring delivery, we will replace the Southern Tiare V146 by the Southern Trader V1406 which will make an inducement call to Norfolk Island en route for Papeete.

The revised dates for the Southern Trader V1406 will be as follows, calling Norfolk Island on the 05th August and delayed into Papeete with an eta of the 15th August.

VESSEL	VOY	Napier	Auckland	Norfolk	Papeete
Southern Trader	1406	-	02-03/08	05-08/08	15-16/08
Southern Trader	1407	-	24-25/08	-	31/08-01/09
Southern Tiare	147	08-08/09	10-11/09	13-14/09	-

Thank you for your continued support.

Yours sincerely,
