

Southern Moana – delay to V334 due to crane repair

18th April 2019

Dear Valued Customers,

Further to our notice on the 15th April regarding the issue with crane #2 on the Southern Moana, the damage has been assessed and will necessitate the vessel being idle in Auckland for 4-5 days on the next call to complete the repairs.

This delay will have a direct impact on the schedule, so we have decided to call Auckland prior to Tauranga on the V334 to ensure the repairs are completed as soon as possible.
