

Southern Moana V302 connecting with Southern Pearl V142

12th May 2017

Dear Valued Customers,

For a better connection of cargo loading on the Southern Moana V302 ex New Zealand and Noumea for Wallis & Futuna, Funafuti & Tarawa, we will change her rotation to call Suva prior to Lautoka and hold the Southern Pearl V142 in Suva to allow this cargo to tranship onto this vessel.

This will allow for a better transit time for the cargo loaded from Oceania and Asia, Europe & the Americas to its final destination in the islands.

The forward schedule will be as follows.
