

## **Southern Pearl V133 – change of rotation**

16<sup>th</sup> December 2016

Dear Valued Customers,

Due to some local issues on arrival of the Southern Pearl at the Honikulu Passage into the lagoon of Wallis Island this morning, she was not able to safely enter and berth to commence operations.

After allowing the morning for these issues to be resolved, the decision had to be made to sail the vessel onto her next port of call to ensure the continuation of the schedule.

The forward rotation for this voyage will therefore be Tarawa – Majuro – Funafuti – Wallis – Futuna.

Please find the forward schedule below.
