

Southern Pearl V147 – split voyage

13th September 2017

Dear Valued Customers,

With the Southern Pearl trade experiencing a high number of heavy cargo bookings this month, for various projects at the ports serviced by this vessel, she will be making a double call into Suva to ensure all cargo is delivered in the required time frame.

As such, Southern Pearl V147 will rotate Lautoka-Suva-Wallis-Futuna and thereafter Southern Pearl V148 will rotate Suva-Funafuti-Tarawa.

This will also allow cargo on the following vessels for final destination Funafuti & Tarawa, to connect with the Southern Pearl V148 in Suva :

- Capitaine Cook V75
- Capitaine Dampier V94
- Southern Moana V308
- Forum Pacific V169

The forward schedule will be as below.
