

**Standardisation of High Cube Surcharges - 01<sup>st</sup> October**

31<sup>st</sup> August 2020

Dear Valued Customer,

A review of High Cube equipment cost & availability and its impact on vessel capacity necessitates an adjustment and standardisation of our High Cube surcharges which will be applicable from the 01<sup>st</sup> of October.

On the Australia, New Zealand and inter-island trades on which High Cube equipment is made available, the High Cube surcharge will be standardised across all markets at USD 150 per teu.

Thank you for your continued support.

Yours sincerely,
