

## **Tropical Cyclone Harold**

06<sup>th</sup> April 2020

Dear Valued Customers,

Category 5 tropical cyclone Harold is currently positioned close to Santo in Vanuatu and is expected to be tracking South-East on a trajectory that would see it travel south of Suva and towards Nuku'alofa in the coming days. The ports of Suva & Lautoka will be closed from tomorrow afternoon as a safety measure.

We have a number of vessels in or approaching the Fijian region and the Southern Lily which sailed last night from Auckland to Nuku'alofa. We anticipate some delays to these vessels as result of this weather system and will be communicating revised schedules as soon as possible.

Thank you for your continued support.

Yours sincerely,
