

## Tropical Cyclone Sarai – vessel schedule amendments

30<sup>th</sup> December 2019

Dear Valued Customers,

Further to our notice on the 27<sup>th</sup> December regarding TC Sarai approaching Fiji and the delays to the Southern Pearl, we are able to provide the following updates.

**M/V Southern Pearl V185** is still sheltering in Fijian waters and awaiting for the port of Suva to re-open subject to a review this afternoon. When this happens and we have an operational plan in place we will revert with a schedule update for her Central Pacific Service.

**M/V Southern Lily V465** is currently working in Nuku'alofa but with TC Sarai now approaching Tonga and the local conditions deteriorating, she will complete full container exchange but leave empty containers behind and sail. She will maintain her schedule on the Samoa's & Tonga service.

**M/V Capitaine Tasman V019**, unable to safely sail to Fiji last week due to the sea conditions has been held back in Auckland. In order to maintain a weekly schedule frequency going forward, all Auckland cargo booked on M/V Capitaine Dampier V153 will be transferred to Capitaine Tasman V019 to load / discharge on the same planned dates. The forward schedule as below:

Vessel	Voy.	Tauranga	Auckland	Suva	Lautoka
Capitaine Tasman	019	Sailed	In port	03-04/01	05-06/01
Capitaine Dampier	153	03-04/01	05-06/01	10-11/01	12-13/01
Capitaine Tasman	020	10-11/01	11-13/01	17-18/01	19-20/01
Capitaine Dampier	154	17-18/01	18-20/01	24-25/01	26-27/01
Capitaine Tasman	021	24-25/01	25-27/01	31/01-01/02	02-03/02
Capitaine Dampier	155	31/01-01/02	01-03/02	07-08/02	09-10/02

As part of the schedule re-adjustment:

Capitaine Dampier V154 bookings will transfer to Capitaine Tasman V020.  
Capitaine Tasman V021 bookings will transfer to Capitaine Dampier V154.

Thank you for your continued support.

Yours sincerely,

**Pacific Direct Line**
