

Update – Southern Trader V1406 calling Norfolk Island

28th July 2017

Dear Valued Customers,

We announced yesterday, that due to the repair work required to the Southern Tiare in Auckland, we would replace the Southern Tiare V146 by the Southern Trader V1406 which would make an inducement call to Norfolk Island en route for Papeete.

The Norfolk Island trade is a break-bulk service as the local facilities are not able to accommodate containerised cargo. This does provide some operational challenges and so after further review of the cargo mix for both ports, we will now be calling Papeete first as per the Southern Trader's normal route. We will therefore be maintaining our initial schedule commitment to the Tahiti trade & then call into Norfolk on her southbound voyage back to Auckland.

The revised schedule will be as below.

Vessel	Voy	Napier	Auckland	Norfolk	Papeete
Southern Trader	1406	-	03-04/08	17-19/08	10-11/08
Southern Trader	1407	-	21-22/08	-	28-29/08
Southern Tiare	147	08-08/09	10-11/09	13-14/09	-

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
