

Weather delays to Forum Pacific V173N & Southern Lily V422

12th February 2018

Dear Valued Customers,

Following our notices last week regarding the weather conditions affecting the Forum Pacific V173 and her resulting omission of Apia on this voyage, the weather in the region has further deteriorated over the weekend with the passage of tropical cyclone Gita, which is now showing a forward trajectory in the direction of Nuku'alofa

As a result, both Forum Pacific and Southern Lily have adjusted their course to avoid the cyclonic conditions and their arrival into Nuku'alofa to commence operations will be significantly delayed.

We will continue to monitor the situation and revert with the amended schedule as soon as possible.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
