Auckland Congestion

Dear Valued Customers,

We wish to inform of significant yard congestion at the multi cargo yard in Auckland that is limiting available capacity for cargo operations. While this congestion is worked through by all stakeholders in the supply chain, our ability to set cargo receivals within normal time frames for upcoming vessels will be impacted.

We will advise cargo receivals for the Southern Moana and The Capitaine Magellan as soon as available.

Should you have any questions or queries please contact your NPD L representative.

Yours sincerely,

NPD L
