

## Additional tonnage for peak season cargo – Liloa V055

14<sup>th</sup> October 2016

Dear Valued Customers,

With the festive season almost upon us and increased cargo volumes to the Pacific Islands as a result, PDL is pleased to confirm the scheduling of additional capacity to ensure the delivery of these peak season volumes spread over a number of trades.

M/V Liloa V055 will be calling Auckland – Nuku’alofa – Suva – Tarawa.

This additional sailing is showing on our schedules this week and our customer service teams will be happy to receive your cargo bookings. We will be managing transshipment cargoes to these destinations to enable earliest cargo delivery.
