

Asia to Pacific Islands Rate Restoration

04th September 2020

Dear Valued Customers,

To maintain our regular shipping services linking Asia with the Pacific Islands, we will implement a rate restoration program on these trades.

From the 04th of October 2020, an Ocean Freight increase of USD 150 per teu will be applicable to all export cargo shipped from Asia to all Pacific Island ports.

This Ocean Freight rate restoration increase will apply to all existing freight rates, and does not affect any surcharges applicable at the time of shipment.

Please do not hesitate to contact your local PDL Representative if you have any questions.

Thank you for your continued support.

Yours sincerely,

Pacific Direct Line
