

**Bunker Adjustment Factor ( BAF ) review**  
**Australia to Wallis & Futuna Trade**

25<sup>th</sup> January 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Australia to Wallis & Futuna service.

The changes reflect movements in the price of ships' bunker fuels. Fuel prices have increased by approximately 13.5% since our last review and the prices continue to rise.

Our current Baf is AUD 765 per 20' on this trade and the increases in fuel prices support a AUD 45 increase in Baf, to a revised Baf level of AUD 810 per 20'.

The new BAF will come into effect from the 01/03/18 and therefore be applicable from the Melanesian Pride V001 loading Melbourne on the 08/03.

Thank you for your continued support.

Yours sincerely,  
**Pacific Direct Line**
