

**Bunker Adjustment Factor ( BAF ) review**  
**Noumea to Wallis & Futuna Trade**

25<sup>th</sup> January 2018

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the Noumea to Wallis & Futuna service.

The changes reflect movements in the price of ships' bunker fuels. Fuel prices have increased by approximately 13.5% since our last review and the prices continue to rise.

Our current Baf is +43.50% on this trade and the increases in fuel prices support a 5.73 point increase in Baf to a revised Baf level of +49.23%

The new BAF will come into effect from the 01/03/18 and therefore be applicable from the Southern Moana V316 loading Noumea on the 12/03.

Thank you for your continued support.

Yours sincerely,
