

Business Continuity at NPDL

15th February 2021

Dear Valued Customers,

Following the NZ Government announcement that Auckland was to commence level 3 covid-19 alert since 0001hrs this morning and for at least 3 days, we wanted to convey to you that business goes on at NPDL.

As an essential service provider, our duty is to ensure that the vessels we operate continue to call between the 24 ports that we service, and that suppliers and buyers continue to trade.

Our Auckland office will be operating with minimal crew in the office and most staff operating remotely from this morning.

All our individual & group contact details, and our shipping schedules & notices are available on our website www.npdl.co.nz Our office phones have been re-routed to our mobile phones.

We wish you all well for the coming days and look forward to resuming normal operating conditions as soon as is possible.

Thank you for your continued support.

Yours sincerely,

NPDL
