

Capitaine Magellan V2 – crew change related delays

25th February 2021

Dear Valued Customers,

Capitaine Magellan V1 will be making a special inducement call to Suva after completing her cargo operations in Papeete this week. As result of continuing covid related travel and quarantine restrictions in the region, this is the only option available to effect a change of crew without incurring a 14-day delay in Auckland.

This inducement into Suva will still result in a 7-day delay to schedule, and the forward schedule is adjusted as below.

Capitaine Magellan V2
Auckland – 14/03
Papeete – 23/03

Capitaine Magellan V3
Auckland – 02/04
Papeete – 12/04

Thank you for your understanding on matters related to these important crew changes and for your continued support.

Yours sincerely,

NPDL
