

## Central Pacific Service Update

03<sup>rd</sup> April 2020

Dear Valued Customers,

As we manage the various Covid-19 related port restrictions in the region and a significant reduction in cargo volumes which is expected to continue for the near future, we have reviewed the deployment of our vessels and shipping routes until further notice. These changes are necessary as part of our business continuity programme to ensure we are providing viable and suitable shipping service to this important area of our shipping network.

M/V Capitaine Wallis will replace Southern Pearl on the Fiji to Wallis, Futuna & Funafuti rotation. M/V Capitaine Quiros will service Tarawa & Nauru with additional Tarawa calls as required from our SPS service currently operating between Fiji, Majuro & Micronesia. Capitaine Quiros will also be servicing Kiritimati.

The forward schedule will be as below.
