

Container weight restrictions – Tarawa & Christmas Island

01st July 2016

Dear Valued Customers,

Kiribati Port Authority (KPA) have announced that all containers – 20' or 40'- must be limited to a maximum gross weight including the container tare weight, of 25 tonnes.

This new restriction will be applicable from the 01st August 2016 and will mean that all cargo that will be delivered to Tarawa on the Southern Pearl V126 must comply with this new limitation.

As a reminder, this weight restriction also applies to containers shipped to Christmas Island (Kiritimati) where the weight limit of 25 tonnes is already in place.

Thank you for your continued support.

Yours sincerely
