

Emergency Equipment Shortage Surcharge (EESS) – Asia to Pacific Islands

25th November 2020

Dear Valued Customers,

Due to extreme shortage of equipment in Asia, an Equipment Shortage Surcharge will be introduced on our Asia to Pacific Island services.

From 11th of December (shipped on board date) export shipments from Asia to all Pacific Islands will incur the Equipment Shortage Surcharge on top of ongoing charges.

The EESS will be charged at the below fixed levels and until further notice:

- USD 150 per 20'
- USD 300 per 40'

We expect volumes from Asia to remain strong into the late part of 1st quarter of 2021, therefore we advise customers to book cargo as early as possible to secure space.

Thank you for your continued support.

Yours sincerely,

Pacific Direct Line
