

Fiji – Terminal Handling Charge (THC) Adjustment

24th of November 2020

Dear Valued Customers,

We are writing to advise you that from 1st of December the Terminal Handling Charge in Fiji will increase to the following amounts:

- 20' Dry: FJD \$570
- 40' Dry: FJD \$1,140
- 20' Reefer: FJD \$630
- 40' Reefer: FJD \$1,260
- Breakbulk: FJD \$19.90 per revenue ton

Shipments departing on or after 01/12/20 will incur the charges at the new amount.

Over the last several months our network has absorbed increased costs related to biosecurity and crew health screening in Fiji. We can no longer continue to absorb the cost increase and therefore will adjust our Terminal Handling Charges (THC) to reflect the increased cost of calling Fijian ports.

Thank you for your continued support.

Yours sincerely,
