

Pacific Islands General Rate Increase

18th of January 2021

Dear Valued Customers,

To offset additional costs caused by the supply chain disruptions we have been experiencing and to maintain our regular shipping services to and from Pacific Islands, freight rates will increase effective for **shipments on or after the 1st of March 2021**.

The increase will be applied on top of current freight rates at the following amount, and will be applied to **cargo from all origins, including Asia** at the following amounts:

To and from Tahiti

- \$500 USD / 20' container
- \$1,000 USD / 40' container
- \$29.40 USD / Revenue Ton (Not applicable for Asia cargo)

To and from all other Pacific Islands

- \$250 USD / 20' container
- \$500 USD / 40' container
- \$14.70 USD / Revenue Ton (Not applicable for Asia cargo)

Please do not hesitate to contact your local NPDL Representative if you have any questions.

Thank you for your continued support.

Yours sincerely,
