

Rate restoration
Fiji to Tarawa Trade

13th February 2018

Dear Valued Customers,

Pacific Direct Line offer a premium direct service between Fiji & Tarawa, on the Southern Pearl & also inducement as required on the Kota Hening, Kota Hapas & Kota Harum vessels. In 2017, we offered a total of 30 vessel calls into the port of Betio in Tarawa.

Over the past few years, freight rates on the Fiji to Tarawa trade have gradually been eroded to the current unsustainable levels.

In order for us to maintain this service on its current frequency it is necessary to apply a rate increase of AU\$ 100 per teu & AU\$ 5 per Revenue Tonne.

The rate restoration will come into effect from the 01/04/18 and therefore be applicable from the Kota Hapas V309 loading Suva on the 06/04 & the Southern Pearl V158 loading Lautoka on the 07/04.

Thank you for your continued support.

Yours sincerely,
Pacific Direct Line
