

## **Southern Tiare V31 delays**

Auckland, 11<sup>th</sup> December 2020

Dear Valued Customers,

The Northern Guild V327, carrying Australia to Norfolk Island cargo, was delayed 15 days waiting for a berth at Auckland port and finally discharged on the 8<sup>th</sup> December in Auckland. As a result, Southern Tiare cargo operations were delayed to ensure the transshipment of this cargo onto this voyage.

With a tropical low developing in the region and expected to cause very poor weather conditions in Norfolk Island next week, for reason of crew and vessel safety the loading of cargo has been suspended until further notice. We are very conscious that this voyage is delivering much needed supplies to market and we will make best endeavours to have these delivered before Christmas.

A revised schedule will be communicated as soon as possible.

Thank you for your continued support.
