

Southern Tiare V31 - update

Auckland, 14th December 2020

Dear Valued Customers,

Further to our notice on Friday 11th December, we would like to provide an update on the Southern Tiare schedule for Norfolk Island.

At this stage we are planning to berth the vessel back in Auckland on the 22-23rd December to load the cargo that has already been received for shipment and then sail to Norfolk for an arrival on the 26th December.

We are monitoring the cyclonic weather patterns in the region and will provide a further update on Thursday this week.

Thank you for your continued support.
