

Southern Tiare Voyage 032 Cancellation

14th of January 2021

Dear Valued Customers,

The Southern Tiare is scheduled for dry dock and voyage 032 to Norfolk Island has had to be cancelled in order to facilitate this. This was triggered by the weather delays incurred on voyage 031.

We are working on an alternative to get your cargo to Norfolk Island and will advise once it is confirmed.

All New Zealand bookings for this vessel are cancelled. Cargo from Australia, which has already departed, will be held in Auckland at a bonded facility.

We apologize for the inconvenience and assure you we are making efforts to find an alternative solution.

Please do not hesitate to contact your local NPDL Representative if you have any questions.

Thank you for your continued support.

Yours sincerely,
